

Deletable

```
graph BT; Mine[Mine] --> Collidable[Collidable]; Collidable --> Deletable[Deletable];
```

The diagram illustrates a class hierarchy. At the bottom is a solid rectangular box labeled 'Mine'. An arrow points from the top center of the 'Mine' box to the bottom center of a dashed rectangular box labeled 'Collidable'. Another arrow points from the top center of the 'Collidable' box to the bottom center of a second dashed rectangular box labeled 'Deletable'.

Collidable
